Sector No. 29, B/h. Akurdi Railway Station, Nigdi Pradhikaran, Akurdi, Pune – 411044

Date: 14/09/2023

The National Association of Students of Architecture (NASA, India) is the largest architectural student body in the world with over 300 colleges with participation from other student bodies and colleges in India and across the globe. The association aims to provide a platform for learning and interactions for students across the country with varied cultural backgrounds.

In D Y Patil College of Architecture, we believe that this involvement underscores the commitment of our institution to promote civic engagement, community service, and social responsibility among our students.

Over the past several years, our students have been actively engaged in a wide range of NASA events, contributing their time, skills, and energy to make a positive impact on students' fraternity. We are immensely proud of our students' dedication to making a positive impact in the architecture students fraternity.

We firmly believe that active participation in Zonal & Annual NASA events fosters a sense of responsibility among our students, preparing them to be well-rounded architects and future citizens.
