Dear GAYATRI MADHAV PARATANE,

**Application Number: 22222300541**

Congratulations!

A warm welcome to CEPT University!

I am pleased to inform you that on the recommendation of **Faculty of Planning** you have been provisionally admitted to the two-year **Master's in Urban Housing** program.

**You are requested to secure your admission offer by paying INR 54,450/- as part tuition fee on or before 1 PM, 12th August 2022. Failing to do so, your admission offer will stand cancelled. Request for extension of date for payment of fees will not be entertained under any circumstances. The remaining amount of fees is to be paid as per the Fee schedule mentioned in Annexure 4.**

We are very excited to welcome you to be a part of the CEPT community. As you begin your studies, you will be introduced to a host of new policies and procedures. It will be important for you to remember that email is the official method of communication for the University. Through your new CEPT email address (which you will receive after the completion of the registration), you will receive information regarding your student account and any outstanding fee balances, class schedules, registration timelines and important course information from your instructors. It is your responsibility to check your new CEPT email account frequently and respond appropriately.

Please note that at present your admission is provisional. It is subject to verification of necessary documents and successful completion of academic probation as set forth in the enclosed annexure.

CEPT University has established new benchmarks in the domain of built environment education. The University is continually focused on improving its processes to further the pursuit of excellence. In the present uncertain times, the coming M22 semester has been planned for in-person classes. However, looking at the current state of the COVID-19 pandemic, it seems that if the conditions worsen, the plan may need to be modified. We should be prepared for a move to online teaching if that is what is required by the prevailing situation. While that is not our preference, we will need to respond to the emerging situation in the interest of everyone's health and safety.

I wish you good luck and much academic success as you begin a new phase in your career with CEPT University!

Warm wishes,

**Prof. Mona Khakhar**

**Fee status**

  
Dr. D Y Patil, Prashitan's  
Padmashree Dr. D Y Patil College of Architecture,  
Akurdi Pune

The University has determined that you should pay fees at the **Overseas** rate. This assessment has been made based on the information you have provided. If you disagree with this assessment or your circumstances have changed, information on how to appeal this decision is available at <https://www.gre.ac.uk/finance/fees/how-your-fees-status-is-assessed>. Overseas fee information is available at <https://www.gre.ac.uk/finance/fees> and can be downloaded and saved for future reference.

### Accept your offer by paying your deposit

Once you've read the terms and conditions below, you can proceed to accept your offer. To confirm your acceptance, you must pay your pre-registration deposit within 14 days of receiving your offer. If you are being sponsored by a third party, such as your government or employer, a deposit payment is not required, but you must provide proof of sponsorship within the same 14 day period. Requirements for proof of sponsorship can be found at <https://www.gre.ac.uk/visa/before-you-arrive/demonstrate-your-finances>. If you do not accept your offer within 14 days, then we can no longer guarantee your place, and your course may close if it becomes full. If you do not pay within the 14 day period, you should check our Closed Course webpage to check if your course still remains open for deposit payments at <https://www.gre.ac.uk/international/capped-courses>.

The pre-registration deposit is the first payment of your tuition fees and is deducted from the total fees due at registration. It also qualifies you to begin the CAS process for your Student visa application. The University requires students to use our payment platform, GlobalPay for Students via <https://students.convera.com/geo-buyer/uog/landing#!/>, which allows you to pay fees in your local currency and significantly reduces payment fees charged by your bank. Please ensure to include your Applicant ID, 001342723 in the payment notes.

Any deposit payments you make to us are subject to our Regulations on Financial Matters policy. This and all other university policies regarding payment of tuition fees can be found at <https://docs.gre.ac.uk/rep/sas/charging-and-refund-policy>.

Please note, by paying your deposit and therefore accepting your offer, you are agreeing to the University's Terms and Conditions (<https://www.gre.ac.uk/about-us/governance/legal-information/terms-and-conditions>). These should be reviewed prior to accepting your offer.

### Visa information

As an international student, you may require a visa to study with us. It is your responsibility to ensure that you are in possession of a valid visa for studying at the University.

Most students will obtain a visa by applying for a Student visa from the UK Government. In order to apply for this visa, you will require a Confirmation of Acceptance for Study (CAS) number issued by the University of Greenwich. The University will begin the CAS issuance process once you have paid the £3,000 pre-registration deposit, or have provided proof of sufficient financial sponsorship. You must also complete other pre-CAS issuance checks. More information on the visa requirements can be found at <https://www.gre.ac.uk/visa/before-you-arrive>. If you are unsure whether you require a Student visa, please email us at [casrequests@gre.ac.uk](mailto:casrequests@gre.ac.uk).

Further guidance on visas and immigration can be found at <https://www.gov.uk/student-visa/apply>. For independent advice, you can refer to <https://www.ukcisa.org.uk/Information-Advice/Visas-and-Immigration/Student-immigration-the-basics>.

### The contract between you and the University

Please read the Terms and Conditions (<https://www.gre.ac.uk/about-us/governance/legal-information/terms-and-conditions>) which apply to the information contained in our prospectus (<https://www.gre.ac.uk/subjects>). By accepting the offer of a place with us, you'll be accepting these terms and conditions and they'll form part of the contract between you and the University if you register as a student.

If you accept our offer, you'll be asked to agree to the University's Principal Conditions of Registration when you register as a student. These are also part of the contract between you and the University. The Principal Conditions of Registration for the current year are

Dr. D.Y. Patil Pratishthan's  
Padmashree Dr. D.Y. Patil Institute of Architecture,  
Akurdi Pune

available at <https://docs.gre.ac.uk/rep/sas/principal-conditions-reg> and can be downloaded and saved for future reference. They include a summary of significant or unusual terms which we recommend that you read. The Principal Conditions of Registration are updated annually and may be updated before you register, all changes will be notified to students on the university website and any significant changes will be communicated to you via email.

You'll have the right to cancel the contract between you and the University within 14 days of registering as a student, as explained in the Principal Conditions of Registration (<https://docs.gre.ac.uk/rep/sas/principal-conditions-reg>). See Withdrawal and Interruption of Studies for the process and relevant forms.

By registering as a student, you'll also agree to accept the University's Student Regulations, Policies and Procedures. The current year's versions are available at <https://www.gre.ac.uk/student-services/regulations-and-policies>.

### Students under 18 years at the time of registration

If you'll be under 18 years of age at the time of registration, or under 18 years of age at the time of applying for a visa, the university will undertake certain arrangements to fulfil our duty of care, as detailed in the Under 18s Policy (<https://docs.gre.ac.uk/rep/sas/under-18-policy>). It's a condition of registration that your parent or guardian confirms, via return of the Parents/Guardians Consent Form, their acceptance of these arrangements. The form is available to download at <https://docs.gre.ac.uk/rep/sas/under-18-policy>.

financial documents that UCA staff have checked for you. If you are a national of a country listed on the Differential Evidence Required list (paragraph ST 22.1) in the UK Immigration rules, you may not be required to present financial documents with your visa application. However – UK Visas and Immigration are entitled to ask to see these documents at any time during your application, and we therefore recommend that you have them available in case you are asked.

By us issuing you your CAS, you are agreeing to comply with all of the conditions of your Student route visa including: your obligation to study only at the University for the Creative Arts (unless studying at a partner institution or undertaking supplementary study), keeping to your working restrictions and leaving the UK when your visa expires unless you have obtained further valid leave.

The Student visa application form can be found here. Before you begin your visa application you should read all of the UKVI guidance which will help you with the process.

### **Your Biometric Residency Permit**

The UK Government requires you to have a Biometric Residency Permit (BRP) that covers the length of your stay in the UK. You will first be issued a **travel vignette (sticker) in your passport** that allows you to travel to the UK. You will then have to **collect your BRP from campus or a Post Office after entering the UK**. If you are coming from a country that is on the UK COVID quarantine list, at the time of your arrival, you must quarantine/self-isolate for the required period, inside your residence in the UK. Only **after** the quarantine period should you go out to collect your BRP.

The University for the Creative Arts is a registered Alternative Collection Location which means you can collect your BRP directly from your main campus of study. The code you need to put into your visa application is: Canterbury: 3HE327

The code must be entered into the **Alternative Location** field in the BRP Collection Page on Visa4UK.

While we recommend that you choose to collect from campus, alternatively you can choose to collect from a post office.

During your UK Visa application you will be asked for a UK Post Code to select which Post Office you will collect your BRP from. If you are doing this over the ACL we strongly suggest you use the postcode of the University Campus as this will give you the closest Post Office to where you will be studying. The following suggestion may not be the closest Post Office in distance but they are the easiest to get to using Public Transport (bus/train/walking).

Canterbury: The postcode for the Canterbury Campus is CT1 3AN. The collection location you should then choose will be: **19 St George Street, Canterbury, CT1 2LB**. This is a short 10 minute walk from the campus. Further information will be provided in your welcome pack on how to get to the Post Office.

If you are studying a Pre-session English course before your main course of study, the location you should choose to collect your BRP should be the closest Post Office to your Pre-session course campus. For Farnham, the postcode is GU9 7DS and the closest Post Office is **56 High Street, Guildford, Surrey GU1 3ES**, a 37 minute train journey from the Farnham campus. For Rochester the postcode is ME1 1DZ and the closest Post Office is **17 - 19 Military Road, Chatham, ME4 4JG**, a short 10 minute walk from the campus.

You should also check your travel vignette as soon as you receive it to check that the correct conditions (working hours/police registration/name spelling/sponsor license number) are noted on it. It is a lot easier to correct these errors before your BRP is issued. Please email us if you find an error or need to make any corrections.

For your reference, these are additional pieces of information we've disclosed to the UKVI for processing your CAS:

**Course Work Placement:** Yes

**Work Placement Percentage:** 25

**Is Secure English Language Test (SELT) required:** No

**English Level Attained:**

**English Test Provider:** Reason SELT not required (if applicable): Higher Education Institution (HEI) sponsor has made assessment

**SELT Reading Score: SELT Listening Score: SELT Writing Score: SELT Speaking Score:**

**Previously a UK student:** No

If you have any queries regarding your CAS number or your visa, please email us.

Best wishes,
